For Immediate Release**COLLABRIA CARE’S 13TH ANNUAL GALA****BRINGS VINTAGE HOLLYWOOD GLAMOR TO THE NAPA VALLEY**

April 16, 2019, Napa, CA — Collabria Care is excited to present its thirteenth annual benefit gala at Castello di Amorosa on September 6, 2019. *Hollywood & Vine: Celebrating the Golden Age* promises an evening of vintage Hollywood glamor in a unique setting, celebrated with the best of the Napa Valley’s fine cuisine and exceptional wines. The gala, in its thirteenth year, provides important financial support for the many caregiving hospice and adult day care services Collabria Care provides. This year’s honorary chairs are Leslie and Rich Frank, who will honor the forty years of exemplary compassionate care provided by Collabria Care.

“The essential services provided by the dedicated and compassionate staff and volunteers at Collabria Care are a gift to the entire Napa community,” said Leslie. “We are grateful for the caregivers who truly make a difference for patients and their families at the most delicate time in their lives. We are privileged to serve as the honorary chairs for the 2019 gala, and to play a role in ensuring others in our community can someday benefit from the many gifts of hospice care.”

The Franks join an impressive list of former honorary chairs that includes Jean-Charles Boisset, Thomas Keller, Margrit Mondavi, Beth Nickel, Dario Sattui, and two generations of both the Rombauer and the Torres families.

The annual benefit gala is the single largest fundraising event the nonprofit agency holds. Gala Chair Valerie Peebles, and her volunteer committee are overseeing every detail of the event, “Collabria Care is one of the most beloved nonprofits in Napa County, having provided end-of-life care for so many in our community. This year’s gala is unique as it will highlight this exceptional organization’s forty years of accomplishments. While having fun in the process, we hope to exceed previous gala fundraising totals and raise a record amount to support its amazing programs not only this year but well into the future.”
